Dedication . . .

- ... To a fun-loving educator who makes every day a new learning experience.
- ... To a well-organized leader who is an inspiration to us all.
- ... To a sympathetic friend who has reached out to us before, during, and after school hours.
- ... To one who has sacrificed time for the well-being of others even in the midst of her own personal traumas.
- . . . To a unique and well-qualified instructor who has established an excellent reputation for Long Beach not only locally, but also on national and international levels.
- ... To a teacher with a great love and appreciation of music and an undying desire to share this talent.

With a song in our hearts, we, the staff of the 1984 Sea Gull, hereby dedicate this annual to . . .

25 Years Ago:
L.B.H.S.
Moved
to New
Location

Through the years, Long Beach High School has seen many innovations, but seldom has excitement run as high as it did in the fall of 1959 when sophomores, juniors, and seniors were separated from grades 1 through 9 housed on Jeff Davis Avenue. The high school students moved into the buildings on Old Pass Road, our present location.

Under the direction of Mr. Fred G. Thornhill, principal, students acquired knowledge varying from the basic English, math, and history to typing, foreign language, band, physical education, shorthand, and accounting. At this time, Long Beach High consisted of four buildings: senior and sophomore halls, the cafeteria, and the administration wing. There were 15 teachers on the staff.

During the years 1960 through 1964, freshmen also attended L.B.H.S. In 1965 Mr. Phillip Brandon became principal. A more diversified curriculum was added, and the size of the cafeteria and of the band hall was increased.

In 1966, the integration of schools had begun, and Long Beach had its first black graduates. In 1967, Mr. Vernon Ehlers took over direction of the school.

When Hurricane Camille blew through in 1969, the L.B.H.S. building suffered damages totalling \$300,000. That fall students attended class in rooms with no ceilings, and a short schedule was adopted to allow workmen to work on repairs in the afternoons.

Mr. Ed Hayman was principal from 1973 to 1975 when Mr. Gerald Taylor took over the top administrative job in our school. Long Beach High had its peak enrollment in 1978 with 915 students and a graduating class of 288.

Now, 25 years later, Long Beach is celebrating its silver anniversary in the current school plant. Under the direction of Dr. Bobby Jones, principal, there are 802 students and 55 faculty members. Bearing this in mind, the 1984 Sea Gull staff presents this yearbook in honor of a wonderful 25 years.

Classes Became More Difficult

Unfortunately, our classes became more difficult and required more work this year Frantically we worked towards the due date of our English research paper. With great desperation we tried to comprehend physics and trigonometry, and we read the gruesome classic, Beowulf However, studying was an important part of our senior year

Seniority Brings Responsibility . . .

It has been said that seniority rules, and Long Beach High is no exception. Seniors hold positions of leadership and responsibility in every organization and activity around our school. We work hard to set a good example to classes that follow

Sophomore Class Officers and Sponsor

As our Sophomore year rolled around, we entered a totally new environment; high school Many of us faced the agonies of geometry and biology

Homecoming brought about the challenge to pull our class together and raise enough money to build our first float. After we figured out how to make the flowers and how to begin building a float, the rest came easy

During the rest of the year there were football games, pep rallies where we really showed our spirit, exams, friendship, weekend fun, and endless numbers of other "high school events."

As our Sophomore year comes to a close, we look back and realize it has gone by much too quickly. We shall soon be Juniors with new hopes and new expectations

In the Beginning

The new Sophomore Class entered Long Beach High School with great enthusiasm and the anticipation of becoming "mature" high school students. At 1 pm on August 29, 1983, the new class received their class schedules, school handbooks, and a brief preview of their next three years of high school life.

At first the sophomores were disonented but they soon became acquainted with life at L B H S

High School Is Work!

This year we learned that being a Sophomore meant more than pep rallies and building floats. With our new classes, we realized how much work goes into being a high school student. Geometry and biology are just a couple of the classes that will determine whether we go on to become Juniors.

Our Principal's Message

Congratulations to Mrs. Kathryn Baker and the annual staff for an excellent yearbook that will enable each of us to recall the memories of the 1983-84 school year

This staff has produced a book of students' experiences, a warm and human account of their trials and triumphs. It serves as a storehouse of memories which time can erase, but these words, script, snapshots, and photos live on forever

To each of you is given the challenge of a lifetime. I would like to urge you to make the best possible use of the knowledge gained at Long Beach High School Remember that you alone can make the most of your life

It is my sincere hope that each of you will continue to find happiness in the future

Works to Produce Memory Book for '84

Junior Editor: Kelly (Bones) McCaleb

Photographer: Paul Lion

The Sea Gull staff is charged with one of the most important jobs in the school, the responsibility of creating for each student a memory book of all students and their friends, important events and people. The staff has strived to make this annual reflect the activities of the '83-84 school year

Christi Schexnayder directed the creative efforts of this year's staff Being the only one with annual experience, she was kept busy demonstrating how to lay out pages and crop pictures. Junior assistants were added to this year's staff, and their efforts were greatly appreciated

At the beginning of the summer, the staff worked daily, selling advertisements. In early fall, production began with picture-taking and cropping, page layouts, written copy, and designing the cover and end sheets

To produce an annual takes a great deal of dedication and hard work, but for the 17 members of the staff, it was well worth the effort We hope we have produced an annual that each student will cherish forever!

Student Council Sponsors Many Activities

The LBHS. Student Council, the student governing body, serves as a liaison between the students and the school administration. Student Council members are elected by their classes and serve for an entire school year

At the beginning of the 1983-84 school year the council welcomed all new students to Long Brach High with a Newcomers Party The Council also made the day for many teachers when they provided breakfast for the teachers to get the new year started off right

Traditionally, the Student Council sponsors Homecoming activities, included in this year's festivities were the float competition, Spirit Week, the presentation of the queen and her court, and the Homecoming Dance

In November, the Student Council sponsored the yearly blood drive for the Red Cross. Their goal was to exceed 100 pints. They achieved this goal with a record breaking 117 pints donated by students and teachers

The computer dating service was sponsored again this year, and the results were given out on Valentine's Day - very appropriately! The Council had exchange programs with Gulfport and Ocean Springs Student Councils, and they attended the state S.C. convention in Greenwhe

L.B.H.S. "Show-Time" Band

The 1993 84 band season began as usual with the agony of hot summer rehearsals mingled with the ecstasy of a cold drink during break time. In keeping with a Long Beach band tradition, members worked together to truly become a band by the second football game. Under the direction of our new director, Mrs. Carrolyn Hamilton, changes did occur. The band gave a new "showtime" style of performance that pleased crowds as well as contest judges. Rehearsals, exhaustion, long bus rides, sleepy-heads, contests, nervousness, and ratings — all band members share.

Memories of the thrill of a great show, the laughter of friends, and the tears of a 2-rating will always be remembered.

Band is a combination of many unique people, however, while rehearing or performing, they become one in the making of music.

Mime Machine Learns Art of Pantomime

Members of the Mime Machine learn to express emotions and ideas through facial expressions and body movement. The performance is entirely silent. This is known as pantomime or mime

Any student who wants to become a member of the Mime Machine must audition before club members. Only a limited number of applicants are accepted each year. Members must be willing to devote a great deal of time to practice. They have presented their shows for a number of schools and organizations in the coast area. The sponsor of the group is Mrs. Connie Cole

F.H.A. Members Look Forward to Ball

The Future Homemakers of America is one of the most active organizations at Long Beach High School on both local and state level. The requirement for F.H.A. membership is former or present enrollment in a home economics course

During the year, the club members are busy with their sale of Tom Wats products, preparing goodies for the faculty Christmas party. These and other activities enable members to accumulate points which determine the Court at the annual F H.A. Ball

The Ball climaxes the year's activities as the Queen and her court are announced.

Long Becah Bearcats have seen better seasons than the 1-and-9 record of the past year. However, throughout the season, determination and hope remained in the hearts of the team and the supporters Perhaps the Bearcats can take a lesson from the 1-and 17 New Orleans Saints and begin to rebuild to become once again the Mighty Bearcats.

According to Coach Tom Boszor, "It was certainly a disappointing year as far as the one win record was concerned; however there were several young men who worked very hard throughout the year, and you cannot always measure your accomplishments by the number of games won and lost."

Anticipation

Basketball ballet¹

With only three seniors returning, 1983 84 was expected to be a rebuilding year for the Basketball Bearcats, but it turned out to be a winning season with a record of 14 and 11

Career records in scoring were broken by Earl Watkins, and career records in assists were broken by Thomas Wagner. Thomas had over 200 assists in the last two seasons, and Earl exceeded 500 points in a single season. Both Earl and Thomas were named All-Conference with Ernest Powell receiving honorable mention.

Coach Bob Cuccaro said the highlights of the season were big wins over Bilox) and Harrison Central. With seven varsity players returning next year, the coach and team are looking forward to a good season

Something new at LBHS this year were the basketball cheerleaders. The cheerleaders attended camp at the University of Southern Mississippi and received one excellent, four superiors, and won the spirit stick two days. For just starting out and in their first season, they are off to a great start.

Spirit at basketball games is definitely better since the introduction of a cheerleading squad just for basketball

A Word of Appreciation ...

I would sincerely like to thank the 1984 Sea Gull staff for all the time and effort that they have given in order to complete this year's annual. No one who has not worked on an annual can begin to understand all the hours and hours of after-school and weekend work which goes into the successful completion of this book.

I would also like to give a special recognition to those who helped us this year.

To Mr. Hugh Daniels who provided us with many extra special pictures, and to Mr. Bill Fennell who provided some football action shots for us.

To Mr. Ben Allen and Mr. George Copeland of Taylor Publishing Company for their help, advice, and support.

To Mr. Jimmy Bruce of Southeastern School Photography for the individual portraits of all classes and pictures of clubs and informal activities.

To Dr. Jones and Mrs. Cobb and the L.B.H.S. faculty for their understanding, support, and cooperation.

And to Mrs. Baker, our sponsor, who helped us above and beyond the duties of a sponsor.

A special thanks to all of you!
